

Dear Isaac

Dear Isaac

My beautiful and bright

Little brother,

You are confused

As to why

I have not come home yet.

You do not understand

That I have gone away

For a long while

And will continue to do so.

And yes, it saddens me

That I will miss a large portion

Of your life,

But do not think

That I do not love you,

That I do not care for you,

That I do not miss you.

For I do.

Greatly.

And I will be back

Simply for the reasons

That I love, care for, and miss you.

So do your homework

My beautiful and bright little brother

Listen to Mommy, Daddy, James and Hephzibah

Do well in school

Like I know you can do

And continue being you

And my dear Isaac,

*I love you.*
