

### The Cursed Ones

You must watch  
For the cursed ones  
For they have nothing left to lose.

No life to live for  
No love to fight for  
Nothing.

Except....  
Anger  
Burning rage

Fueling a will to destroy  
Destroy what took  
From them

Took their hopes  
Dreams  
Love and life

And because they now have

Nothing left

Nothing left to lose

They can *ruin* those

Who made them so

*Without remorse.*
